

Ingersoll Rand Forklift Parts

Ingersoll Rand Forklift Part - Ingersoll Rand provides solutions, services and products in order to increase the productivity and ensure efficiency within industrial, commercial and residential environments. They pride themselves in providing products to be able to improve the security, health, safety and comfort of people all around the world all through their four global segments.

From their Climate Solutions division comes a product line of energy efficient HVACR solutions. The Thermo King is the leading transport temperature control, while Hussman manufactures refrigeration and food merchandising solutions. Trane is a trusted provider of energy efficient heating ventilation and air conditioning systems, building and contracting services, parts support and advanced controls used for both commercial buildings and residential homes.

The Industrial Technologies sector of Ingersoll Rand offers solutions and products to be able to enhance productivity, operations and energy efficiency for their clients. The series of products in their line comprise: tools and pumps, and material fluid handling systems to complete compressed air systems. They have even developed Club Car, the international leader in utility and golf vehicles for companies and people.

Brands such as Trane and Schlage provide residential solutions that offer safety, efficiency and comfort to home owners around North America. Their innovative products comprise mechanical and electronic locks, indoor air quality solutions, heating and air conditioning systems, portable security systems, advanced controls and remote home management.

Ingersoll Rand' Security technologies offer products that ensure secure, safe and productive environments. This division's market leading products consist of door and floor closers, exit devices, portable security devices, biometric and electronic access control systems, cabinet hardware, steel frames and locks and doors, locksets and decorative hardware. Well-known brand names such as Schlage also offer personal, time and attendance scheduling systems.
