

American Lincoln Part

American Lincoln Part - The American Lincoln division is now connected with the Nilfisk Advance Industrial Group located in Plymouth, MN, USA. They specialize in floor cleaning machinery that are known within the industry as strong and durable equipment which meets all the needs of heavy industry and larger infrastructure. Products made in the United States of America; the sales are conducted nation- wide through national accounts, authorized distributors and direct Government sales.

American Lincoln shares the battery operated walk behind model of floor scrubber together with the Clarke Company that is currently likewise owned by Nilfisk Advance. Their production operations are primarily based in Springdale Arkansas. These kinds of scrubbers are available in the market under the brand name "Encore". American Lincoln could supply parts, warranty service and machinery for these types of scrubbers that have both the Clarke and Encore logos.

Distributed in Wal-Mart and Target distribution centers, the 7765 floor scrubber model is the top selling floor scrubber in American Lincoln's line and the 7765 has become a trusted model for many facility managers where results and efficiency make a difference. Recently, this floor scrubber model has been utilized by the architects in various construction projects such as Lowes Home Improvement Stores and Home Depot's. Flooring contractors use this sweeper scrubber on site due to the model's utmost performance level and high standard of quality for polishing concrete.
