

Trek Parts

Trek Part - TREK Cleaning Machines is a machine manufacturer who is passionate about the cleaning trade. The company's founders, Jim Hartsock, Chris Knowlton and Bob O'Hara, have over sixty years combined experience with successfully developing, marketing, manufacturing, designing and offering customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They strongly believe in delivering true value to their customers and are devoted to giving new design concepts and top quality in order to meet the diverse needs of their customers.

In their product development; TREK Cleaning Machines always offers fresh design concepts. They like offering products that energize both their partners and their dealers and offer production gains to their clients.

The TREK team of employees enjoys new challenges and new tasks. They are really proud to launch its breakthrough technology found in their Torsion scrubber line. This line was motivated by the comprehension of operators' skills and needs along with their knowledge of cleaning applications, along with owners' strong desire to dramatically reduce cost through productivity gains.

The staffs at TREK and their dealer-partners are strongly committed to having both parts and technical support obtainable when it is required. Their high service devotion is among the core values in their customer service. Keeping their clients' cleaning machinery running and ready on a daily basis is top priority. The company's top of the line technology delivers dependable equipment which ultimately lowers your cleaning expense. The product, the price and the service all work together to be able to make them an industry leader.
